About 2000 participated in the dramatization of the Way of the Cross on Good Friday at Holy Cross Cathedral. The enactment commenced at 8am and lasted for two hours.

The cast of 80 youngsters from Bishop Epalle youth group, Holy Cross youth group and other groups practiced for over two weeks and staged a very prayerful and inspiring performance. The enactment was directed by John Bobo. The part of Jesus was played by Albert Kua, a lad from Tangarare doing his Foundation Course at USP. Mary was played by Lavridge Rua, working at Bishop Epalle.

The youngsters camped at Holy Cross from Thursday 9th to 13th Monday. At the Easter vigil on Saturday night several readings were enacted among them were Creation, Crossing of the red sea and the Abraham, our father in Faith.

An Easter Social was enjoyed by all on Sunday at which competitions were conducted. This is an annual event for the young people of Holy Cross.
